DRAFT--TSH
20 August 1962

MEMORANDUM FOR:

SUBJECT : Scientific and Technical Intelligence--General
(Recommendation No. 15 of the 4 October 1961 Report
to the President by the President's Foreign Intelligence
Advisory Board)

REFERENCE : (a) USIB-D-34.4/3, 6 August 1962
(b) USIB-M-299, 15 August 1962, item 3

1. In accordance with the decision of the United States Intelligence Board as reflected in reference (b), it is requested that you furnish the Coordination Staff with a statement as to the specific actions you would take, and the approximate costs thereof, to implement the measures recommended in USIB-D-34.4/3. The statement requested should also include any other measures which you would recommend the USIB consider in responding to the recommendation of the President's Board and the specific actions you would take, and the costs thereof, to implement such measures.

2. Following receipt of the statement, I would appreciate the opportunity of discussing a revision of the report and its recommendations with you.
